#### 2. Updated SARE State Summaries and Grants Lists Now Available – \*\*\* NEW \*\*\*

Since 1988, the Sustainable Agriculture Research and Education (SARE) program has been a go-to USDA grants and outreach program for farmers, ranchers, researchers and educators who develop innovations that improve farm profitability, protect water and land, and revitalize communities. SARE has awarded over \$251 million to more than 6,300 projects. [Learn more](#) about funded grants, project highlights and a breakdown of funding in your state using our newly updated portfolio summaries and grant lists.

#### 3. Spring 2018 Carton 2 Garden Contest

Evergreen Packaging and KidsGardening.org are proud to present our fourth annual national [Carton 2 Garden Contest!](#) Open to public and private schools, contest winners will be selected based on their implementation of an innovative garden creation featuring creative and sustainable uses for repurposed milk and juice cartons. Your school can get started by collecting at least 100 empty cartons from your home, community, or cafeteria. After gathering cartons, it's time to design and construct purposeful garden items and structures using them. Looking for ideas? Check out [last year's winners](#) for inspiration and visit us on [Facebook](#), [Twitter](#), and [Pinterest](#) for tips, activities, and lessons.

#### 4. Walmart Foundation

The Walmart Foundation's Community Grant Program is offering grants to nonprofit organizations and agencies that work in one of the following areas: hunger relief and healthy eating, health and human service, quality of life, education, community and economic development, diversity and inclusion, public safety, or environmental sustainability. Awards range from \$250 to \$5,000. Deadline: applications are accepted on a rolling basis. Learn more [here](#).

#### 5. Home Depot Foundation

The Home Depot Foundation provides funding for nonprofit organizations and public agencies in the United States that are using the power of volunteers to improve communities through its Community Impact Grants program. Priority is given to projects that benefit veterans and/or diverse and underserved communities. Projects should be volunteer-friendly, engage people at all skill levels, and be expected to have a strong and lasting impact. Awards of up to \$5,000 will be given in the form of The Home Depot gift cards for the purchase of tools, materials, or services. Deadline: awards are made on a rolling basis. Learn more [here](#).

#### 6. Alaska Farm Bureau Agriculture Education Mini-Grant

The Alaska Farm Bureau is accepting applications for small agriculture education projects to increase awareness, knowledge and appreciation of Alaska agriculture in our youth. The Alaska Farm Bureau intends to award up to

\$20,000.00 in grants to individuals or organizations across the state. Learn more [here](#). Applications are due by **May 15, 2018**.

#### **7. NRCS Environmental Quality Incentives Program (EQIP) Funds**

The Natural Resources Conservation Service (NRCS) is taking a second round of applications for the 2018 Environmental Quality Incentives Program (EQIP) that funds conservation practices associated with soil health, manure management, high tunnels and more. Complete applications must be submitted by **May 11**. Learn more [here](#).

#### **8. National Education Association Foundation Grants**

Offered by the National Education Association Foundation, [Student Achievement Grants](#) are for projects that help students learn how to think critically and solve problems in order to improve student learning. [Learning & Leadership Grants](#) are for professional development opportunities for individuals or groups. Grants are available to current members of the National Education Association who are educators in public schools or public institutions of higher education. Preference is given to proposals that incorporate STEM and/or global learning into projects, which can include farm to school activities. Two levels of funding are available: \$2,000 and \$5,000. The next deadline for applications is **June 1**.

#### **9. USDA Announces Support Available for Specialty Crops, the Local Food Sector, and Agricultural Marketing**

The U.S. Department of Agriculture's (USDA) Agricultural Marketing Service (AMS) announced nearly \$89 million in available funding to support specialty crop growers, strengthen local and regional food systems, and explore new market opportunities for farmers and ranchers. USDA helps fund projects that bolster rural economies across the country. Learn more [here](#).

#### **10. Slow Food's Plant a Seed Campaign**

Slow Food is excited to launch their Plant a Seed campaign for Spring 2018. This year, they are focusing on the Three Sisters — bean, corn and squash. They are able to offer free kits to the first 300 schools in need. Use promo code *plantschoolfree* if you would like a kit but cannot afford to pay. Once those run out, or if you have the budget to pay, you can use *plantschoolhalf* for a 50% discount. If you're not using this for a school garden, they ask that you pay full price. [Order your school garden kit here](#).

#### **11. Project Produce: Fruit and Veggie Grants for Schools**

The Chef Ann Foundation presents Project Produce: Fruit and Veggie Grants for Schools. This grant is designed to help increase kids' access to fresh fruits and vegetables and create experiential nutrition education when and where students make their food choices: in the cafeteria. The \$2,500 one-year grants support food costs to incorporate school-wide fruit and vegetable tastings into the school's nutrition program. Grants will be determined on an ongoing basis depending on available funding. [Learn more and apply](#).

#### **12. HealthierUS School Challenge Qualification**

To all **NSLP and SBP** sponsors: you have a limited time left to get HealthierUS School Challenge (HUSSC) qualified. The HUSSC is a voluntary initiative established in 2004 to recognize schools participating in the **NSLP** and **SBP** that have created healthier school environments through promotion of nutrition and physical activity. USDA is working towards decreasing the childhood obesity epidemic through new **NSLP** and **SBP** meal patterns, increased Wellness Policy Requirements, and by heavily promoting initiatives such as HUSSC. For more information, please follow the [link](#) here. This grant will be ending **July 1, 2018**.
