Subject: [akfarmtoschool] Alaska Farm to School - Week 29 (it is feedback survey time!!)

Good morning Alaska Farm to School listserv,

As the new state fiscal year begins so shift funding sources for this program. We are very interested in what you find most meaningful and useful with the Alaska Farm to School Program so we can work the best we can to meet your needs. Please take a few minutes to respond to this survey: <https://www.research.net/r/JKPSVJC>

If you have questions or any comments about the survey or about the program that weren't touched on by the survey, please let me know directly and don't respond to this email as this is to the entire 550+ recipients of this email!! Thank you!

We appreciate your input and time to help us build a program you will use so we all move forward together to bring fresh, local products into our children's lives.

Enjoy the sunshine – be well,
